*This usually worked just fine
But one day I ate some spicy curry
And to get on that toilet
I was in a hurry
I jumped onto the toilet
Things were coming along just swell
But then -- oops -- I lost my balance
And suddenly I fell
Chorus

Well I like to play in water
Oh yes for goodness' sake
The ocean or a river
A hot tub or a lake
But if you want to take a swim

I'd try hard to avoid
Swimming in the water
Where your poop has been deployed
Chorus

Well if you like to splash around
Then you and I agree
You can splash inside the bath tub
Or in the deep blue sea
One important rule
Don't go splashing in the same place
You deposited your stool
Chorus
