

Drink of the Death Squads

David Rovics

Coke came to Co-lom-bi-a Seek-ing low-er wag-es They got just what they came for But

as we turn the pag-es We find the work-ers did-n't like the sound Of their

chil-dren's hun-gry cries So they said we'll join the un-ion They be-gan to or-gan-ize

The ba-by drinks it in his bot-tle When the wa-ter ain't no good

The dog drinks it but he don't know if he should Some folks say it's the nec-tar of the gods But

Coke is the drink of the death squads

So Coke called up a terrorist group
Called the AUC
They said "we've got some problems
At the factory"
So these thugs went to the plant
Killed two union men
Told the rest, "you leave the union
Or we'll be back again"

Now Coke did not complain
About this dirty deed
Why give workers higher wages
When Coke is all they really need
They phoned the AUC
Said "thanks, without you we'd go broke
And to show our appreciation
Here's one hundred cases of Coke"

Chorus

Well the workers wouldn't take
This situation lying down
Some went up to Georgia
Said "look what's happened to our town
You American workers got downsized
And as for us we just get shot
And those of us who survive
Our teeth begin to rot"

Chorus

Well now that's the situation
What are you gonna do
'Cause death squads run Colombia
And they're paid by me and you
We can let Coke run the world
And see what future that will bring
Or we can drink juice and smash the state
Now that's the real thing

Chorus
