David Rovics

Voice

Mom-my said get in the car Let us go have tea I said I think that sounds bor-ing

I just wan-na climb a tree I just wan-na climb a tree Up in a tree that's where I wan-na be

Just like a lit - tle mon - key I just wan - na climb a tree

Daddy said come down from there
It's time to eat some snails
Would you like them raw
Or cooked inside a pail

I said I just wanna climb a tree...

Grandpa said come down and we'll
Go swimming if you please
But I said no I think I'd rather
Hang here on my knees
